F G C C

## Verse 1:

C F G C  
My girlfriend doesn't want me for a boyfriend  
Am G  
And nothing much could make me more distressed  
C F G C Am  
It's been so long since she has kissed me properly  
Dm G  
It's been so long since I've seen her undressed

## Verse 2:

It's been so long since I cuddled her for hours  
It's been so long since I fumbled with her bra  
These days, she parties without me  
While I cry over my linear algebra

## Chorus:

F C  
I can be pretty hard to bear  
G C  
I don't have Stephen's facial hair  
F C G  
And if I did, I'm sure that this would all be fine  
F C  
I'm not a bald guy in the PhB  
G C  
Or studying third year psychology  
F G C  
And that's the reason my girl don't want to be mine

## Repeat intro.

## Verse 3:

My girlfriend doesn't want me for a boyfriend  
She says she's not sure what she wants instead  
She says she wants something less socially constrained  
I personally think she just wants Jed

## Verse 4:

My girlfriend doesn't want me for a boyfriend  
The friend zone seems my certain destination  
I wish this meant I'd spend more time on study  
But I'll probably just spend more time on masturbation

## Chorus 2:

I can be pretty hard to bear  
I don't have Stephen's facial hair  
And if I did, I'm sure that this would all be fine  
Didn't run first div in IB  
Or have a fucking girl's name like Casey

F G Am

And that's the reason why everything's not fine  
F G Am  
And that's the reason why I am always cryin'  
F G  
It's all because my girl don't want to be  
Dm G  
All because my girl don't want to be  
Dm G C  
All because my girl don't want to be mine
